### **Mission Statement**

The Managing Director of ISACert B.V. declares that the Quality Management System of ISACert, including all related documents, shall be used for the handling of certification requests and request for second party audits.

For all the audits and certification decisions, the Managing Director guarantees the impartiality, independency and confidentiality of all the personnel involved the audit and certification process.

All personnel of ISACert and related bodies are informed about the content and the importance of the Quality Management System of ISACert. All personnel agrees to work accordingly the procedures of the Quality Management System and supports the mission of ISACert to add value to the international food and food related supply chains by means of competent, impartial and transparent audits, reports and certification.

ISACert verifies by means of planned internal and witness audits the effectiveness of the Quality Management System.

ISACert is not involved in, nor offering services for:

- > Certifying another CB
- > Consultancy activities
- > Internal audits to its certified clients
- > Outsource audits to a Consultancy Organization

12 January 2009

Gerard van der Ven  
(Managing Director)
